Start button, go to screen 3

Insert ticket number

We are going to have 3 colors, red, green, and yellow.
The color will depend on the number of people waiting

Go to next screen

ticket number already joined

Number of people waiting before my ticket

Estimated time to my turn

We are going to have 3 colors, red, green, and yellow. The color will depend on the number of people waiting. ONLY DISPLAY ONE

Qualification of attention received

Go to screen 7

Add time to my turn

Pramod, here we need to create a button
“Agregar” that it goes to next screen

Go to screen 7

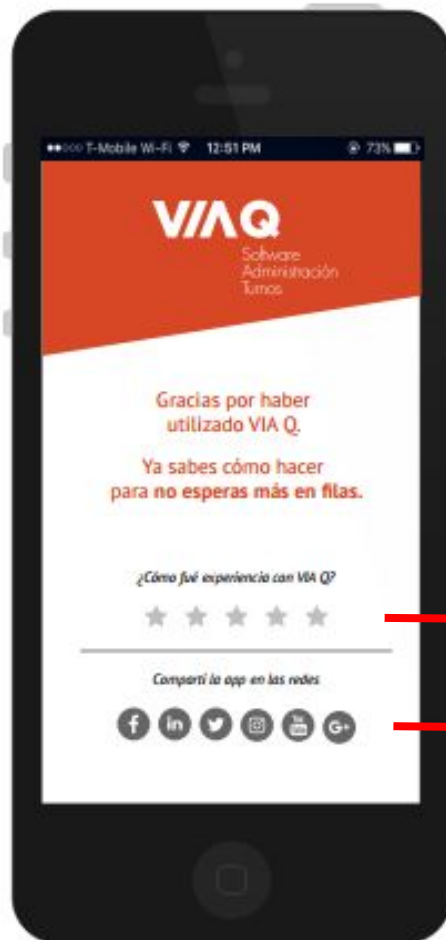

6

The server will give us the information about that number

Go to next screen
